

HOME HAPPENINGS.

Druggist F. A. Morris has had a telephone placed in his store. A hot air furnace is being placed in the residence of Mrs. Laura Fogg. The present drought is the worst the weather bureau has ever recorded. A slate roof is being placed on C. E. Noll's North Broad street residence. Canfield will no doubt show a good majority in favor of road improvement. J. J. Flickinger has sold to Ervin Yager 21 acres of farm land, north of the village. Delightful weather but the drought continues. Many wells and cisterns have failed. A large flock of wild geese passed over the village Tuesday evening, headed for the south. Bands of gypses passed through town Friday and Saturday afternoons, going south to winter. Wm. Monasmith and family this week removed to Wood county where they resided some years since. The annual election of five directors of the Mahoning County Agricultural Society will be held in Canfield Wednesday, Nov. 4. Perry Myers, who purchased the old Methodist church building, expects to occupy it as a blacksmith shop by the middle of next month. On Tuesday afternoon Mrs. E. A. Arnold pleasantly entertained the members of the Stitches club at her home on South Broad street. A large audience enjoyed the first number of the lecture course given in College Chapel Tuesday night by the Apollo Quintette and Bell Singers. The recently graded north part of park was sown to rye last week, not that a crop is expected next year but that it may serve as fertilizer for grass to be sown later. A republican mass meeting will be held in town hall, Canfield, next Wednesday night. The speakers announced are S. D. L. Jackson, Judge J. R. Johnston and M. C. McNabb. The call issued by the township trustees for an election to vote on the question of leasing bonds to improve five miles of roads will be found in today's Dispatch. The date of the election is Nov. 3. Frank B. Smith of Youngstown and Miss Mary Obermair of Canfield were united in marriage at Youngstown last Saturday. The young people began housekeeping Monday, the groom having provided a fine new home. A switch has been run across the Salem road to the plant of the Canfield Milling Co. so that cars can be loaded and unloaded at the mill door. Carpenters are now at work on a shed to shelter the horses of customers who visit the mill in bad weather. C. A. Ewing, who had a valuable camera stolen from his buggy at a Camp Park meeting in August, recently recovered his property in a Youngstown pawn shop. The lenses, valued at \$40, was missing and the pawnbroker claimed it was not with the camera when he bought it Sept. 19. Lenora, eight months' old daughter of Mr. and Mrs. Lester Baird, died Tuesday morning after a short illness. The child was the second of triplets to pass away. Funeral services Wednesday afternoon were conducted by Revs. J. C. Schaaf, D. D. Burt and W. S. Rowe. Interment in the village cemetery. Fire started in woods owned by Wm. Shirey, two miles south of town, did much damage Sunday. Considerable territory was burned over and 100 rods of rail fence went up in smoke. Mr. Shirey believes the fire was started by the carelessness of young men who were seen in the locality shortly before the blaze was discovered. The Normal college football eleven met defeat in the first game of the season here last Saturday with the Girard high school team, the score being 6 to 0. The locals showed lack of practice, some of the players not having been in a single preliminary game. But the team is now getting in good condition and expects to make a creditable showing in the next game. The Newtonian and Philomathean literary societies are arranging for a social to be held in College Chapel next week Friday night. An effort is being made to raise money to buy books for the library and the societies hope to be liberally encouraged in their laudable endeavor. Let everybody arrange to attend the social and contribute the small sum that will be charged at the door.

Rowe were called to Cleveland last Saturday by a telegram announcing the death of Mrs. Rowe's brother, Herman Abell, who lived with his mother on the Kinsman road. Mr. Abell was hauling a load of coal Friday afternoon and fell from the wagon. He was instantly killed, being dead when picked up. The deceased was 26 years of age and unmarried. Funeral services were held Tuesday.

UNION COUNTY CONVENTION

The seventeenth annual convention of the Mahoning County C. E. Union was held in the Canfield Presbyterian church last Saturday and Sunday. These annual meetings of the Endeavorers have always proven helpful and uplifting, but the convention of 1908 was the most successful in recent years. This success is due very largely to the stirring efforts of the retiring president of the organization, Chas. E. Clupper of Youngstown. Although confronted with difficulties which would discourage many Mr. Clupper was faithful to his duty and made the convention a success. On Saturday evening the president called the convention to order and immediately introduced P. M. Haas of Youngstown as musical director for the convention. The fact that Mr. Haas was in charge of the music was sufficient to insure good singing. At this first session the stirring notes of the "Glory Song" were sounded forth. This song was made the regular convention song. After the song service Rev. J. C. Schaaf offered the prayer of the year. In giving the Address of Welcome Miss Ruth Duncan assured the Endeavorers that their presence in Canfield was agreeable. Miss Duncan spoke of the beauties of nature with which we are surrounded and the beauty of the year, and then urged that each one strive to make his life correspond with nature's work that we may all thus be prepared for the final welcome. The response was given by J. Carl Zimmerman and the prayer was by W. H. Thompson of Austintown. He then introduced R. E. Pugh, pastor of the Canfield Presbyterian church, who spoke on "The Heart of Endeavor." True to his subject he went directly to the heart of endeavor, and soon his words were finding their way to the hearts of the Endeavorers, bidding them follow closely the teaching and promises of the C. E. pledge, for the pledge is the heart of endeavor. The next speaker was Rev. D. D. Burt of the Canfield Presbyterian church. He spoke on the "Riddle of Life," and advanced the idea that life is not so much a riddle if the individual will observe the things around him and apply their teachings to his daily life. After the appointment of the various committees the convention adjourned to meet at 2 o'clock. On Sunday afternoon after the song service E. C. Shuman of Youngstown spoke on "The Necessities of Life." The speaker alluded to those things which are essential to the life of an Endeavorer. Following an anthem by the Disciple church choir Rev. G. M. Whiteack of Youngstown spoke on the subject—"Christian Endeavor Heart Service." The speaker pointed out the necessity of an individual heart being in his work if he would accomplish the greatest possible good. He spoke of the pleasure to be derived from service which convinces fallen humanity that one's heart is full of love for humanity. After the roll call of societies to which delegates responded with a verse of scripture, the convention transacted the usual business. It was decided that the convention be held some other day of the week this year in Youngstown. The speaker of the evening was Prof. L. U. Hullin of North Lima. Prof. Hullin took as his subject "The Adjustment of Power." There is enough power in the world if it was properly adjusted." The speaker cited examples of individuals whose lives had been almost useless until their power was adjusted by the religion of Jesus Christ. After a solo by Dewitt Morgan the benediction was pronounced and the C. E. convention of 1908 passed into history. Throughout the different sessions of the convention there was special music by the Disciple and Presbyterian choirs. Excellent solos were rendered by Mrs. Blackburn, Miss Chidester, Miss Hendricks and Mr. Morgan. Much praise is due the executive committee for their management of the convention and to the people of Canfield for the most cordial manner in which they entertained it. Everyone seemed to feel that it was a time of special blessing and was determined to get all the following resolutions were adopted: We, the Christian Endeavorers of Mahoning county, in convention assembled, mindful of the blessings which an all-wise Father has bestowed upon us, realizing our dependence upon our Lord and Master and impelled by an earnest desire to render him better service, do resolve: 1st. That for His countless blessings, His continued guidance and protection, and the evident prosperity attending our work, we give to Him our heartfelt thanks. 2nd. That we pledge ourselves to do more sincere heart service. 3rd. That we as delegates promise our Lord and Master more loyal support to our local societies and to exert our influence toward securing a greater degree of loyalty from each member. 4th. That we emphatically declare ourselves in favor of temperance reform, and pledge ourselves to the support of the House county option law. We heartily approve of an election under this law in Mahoning county as soon as consistent with existing conditions. We recommend that all Endeavorers support only those candidates who are known by their own declarations to be firm adherents of stringent temperance legislation. 5th. That we express our appreciation to the speakers for the masterful addresses given during this convention, and also that we extend to Mr. Chas. E. Clupper our thanks for his efficient services as president of our organization. 6th. That to the people of Canfield we express our appreciation of the cordial manner in which they have entertained this convention, and that we wish them God-speed in all their noble undertakings. 7th. That copies of these resolutions be sent to the various societies in the county. BY THE PRESIDENT, R. E. PUGH, Secy., J. CARL ZIMMERMAN, Com.
